3/11/2024

Cowboy Kind wowed them in Denver in 2016 and this great LimFlex sire by Saga is now out on the open market. Very correct, and loaded with performance, Cowboy Kind has a yearling weight over 1500 and should sire the performance and growth that cowboy's demand. Maternal is off the charts and this young sire is starting leave his mark. Very square hipped and sound footed, we think this young sire should sire the Cowboy Kind. \$40

Stetson has impressed the breed with tremendous calves in the Running Creek yards and now he is hanging his hat at Wulfs and is sure to sire cattle that have added growth and performance. Stout made and with the best spread you can find in a purebred, Stetson has the numbers and phenotype to sire performance cattle for breeders and commercial men alike. \$40

WZRK Kryptonite has the growth and performance package that will work in any program. Sired by breed performance giant CELL Envision, Kryptonite was the leadoff bull at Wieczorek spring sale and cattlemen were quick to praise his growth, balance and Limousin phenotype, If you like them thick and stout, Kryptonite is your man. 40.00

Owned by Fillmore, Wieczorek
